

Further elective activities for all students

	ECTS
Elective courses	12
Additional language skills assessment: French or Spanish or German or Italian	3
Workshops or internship	3
Final exam	6

Learning objectives

Interdisciplinary education in political science, law, economics, history and sociology, with a particular emphasis on the political, legal and economical dimensions of the contemporary international context. The international and comparative focus aims to enable students to understand and interpret today's global reality and to critically assess its complexities.

Employment opportunities

National/regional/local public administrations, including diplomatic missions; international organizations; NGOs; research centres; public/private companies (national or multinational) involved in international trade or finance; jobs in the services, cultural heritage, tourism and communication fields.

Admission

Numerus clausus; selection of students based on [entry test](#).

Director of studies

Prof. Marco Pedrazzi marco.pedrazzi@unimi.it

Tutor (Faculty)

Prof. Marco Giuliani marco.giuliani@unimi.it
